Amendments to Code of Ethics for Senior Executive and Financial Officers

Effective October 15, 2010

On October 15, 2010, the Board of Directors approved amendments to the Company's Code of Ethics for Senior Executive and Financial Officers (the "Code"), as follows:

- The list of officers to whom the Code applies has been amended to update titles, add the Vice Chairman and Chief of Staff as a covered officer and remove an officer of an insignificant subsidiary as a covered officer.
- The provision on the acceptance of gifts, meals and entertainment was amended to provide that gifts or other things of value may not be accepted when the gift or other thing of value is intended to influence the officer recipient's behavior toward the vendor or customer giving the gift. The prohibition on the acceptance of gifts that could reasonably be considered to be intended to influence behavior was deleted as overly subjective.
- Administrative, formatting and editorial changes were also made to the Code.
