shall require the affirmative vote of the holders of at least 75% of the voting power of the then outstanding shares of Voting Stock, voting together as a single class. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage may be specified, by law or in any agreement with any national securities exchange or otherwise.

B. Business Combination. The term "Business Combination" as used in this Article VI shall mean any transaction which is referred to in any one or more of clauses (i) through (v) of paragraph A of this Section 1.

Section 2. When Higher Vote is Not Required. The provisions of Section 1 of this Article VI shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote as is required by law, any other provision of these Articles of Incorporation (including any Preferred Stock Designation) or any agreement with any national securities exchange, if, in the case of a Business Combination that does not involve any cash or other consideration being received by the shareholders of the Corporation, solely in their respective capacities as shareholders of the Corporation, the condition specified in the following paragraph A is met, or, in the case of any other Business Combination, the conditions specified in either of the following paragraphs A and B are met:

A. Approval by Continuing Directors. The Business Combination shall have been approved by a majority of the Continuing Directors (as hereinafter defined).

B. Price and Procedure Requirements. All of the following conditions shall have been met:

(i) Common Stock. The aggregate amount of the cash and the Fair Market Value (as hereinafter defined), as of the date of the consummation of the Business Combination, of the consideration other than cash to be received per share by holders of Common Stock in such Business Combination shall be at least equal to the highest of the following:

(b) the Fair Market Value per share of Common Stock on the Announcement Date or on the date on which the Interested Shareholder became an Interested Shareholder (the "Determination Date"), whichever is higher.

(ii) Voting Preferred Stock. The aggregate amount of the cash and the Fair Market Value, as of the date of the consummation of the Business Combination, of the consideration other than cash to be received per share by holders of shares of any other outstanding class of Voting Stock or any outstanding series thereof if shares of such class are issuable in series shall be at least equal to the highest of the following (it being intended that the requirements of this paragraph B(ii) shall be required to be met with respect to every such class or series of outstanding Voting Stock, whether or not the Interested Shareholder has previously acquired any shares of a particular class or series of Voting Stock):

(a) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of such class or series of Voting Stock acquired by it (1) within the two-year period immediately prior to the Announcement Date or (2) in the transaction in which it became an Interested Shareholder, whichever is higher;

(b) the Fair Market Value per share of such class or series of Voting Stock on the Announcement Date or on the Determination Date, whichever is higher;
or

(c) the highest preferential amount per share to which the holders of shares of such class or series of Voting Stock are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

(iii) The consideration to be received by holders of a particular class of outstanding Voting Stock or the holders of a particular series of a class thereof if shares of such class are issuable in series shall be in cash or in the same form as the Interested Shareholder has previously paid for shares of such class or series of Voting Stock. If the Interested Shareholder has previously paid for shares of such class or series of Voting Stock with varying forms of consideration, the form of consideration for such class or series of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class or series of Voting Stock previously acquired by the Interested Shareholder.

(iv) After such Interested Shareholder has become an Interested Shareholder and prior to the consummation of such Business Combination, except as approved by a majority of the Continuing Directors: (a) there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on any outstanding Preferred Stock; (b) there shall have been (1) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), and (2) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of Common Stock; and (c) such Interested Shareholder shall have not become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Shareholder becoming an Interested Shareholder.

(v) After such Interested Shareholder has become an Interested Shareholder, except as approved by a majority of the Continuing Directors, such Interested Shareholder shall not have received the benefit, directly or indirectly (except proportionately as a shareholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation, whether in anticipation of or in connection with such Business Combination or otherwise.

(vi) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to shareholders of the Corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

D. For the purposes of determining whether a person is an Interested Shareholder pursuant to paragraph B of this Section 3, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of paragraph C of this Section 3 but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, warrants or options, or otherwise.
