

## **Eric Silagy**

### President and Chief Executive Officer

Eric Silagy is president and CEO of Florida Power & Light Company (FPL), a subsidiary of NextEra Energy, Inc., and one of the largest investor-owned electric utilities in the nation. He was appointed president in December 2011 and CEO in May 2014.

Mr. Silagy has worked for NextEra Energy companies for more than a decade. For FPL, he served as senior vice president of regulatory and state governmental affairs and as chief development officer, managing all generation development, including solar, natural gas and nuclear energy projects. At NextEra Energy Resources, Mr. Silagy served as vice president and general manager overseeing all business activities for the company's generation assets in southern United States; and vice president of business development, managing merger and acquisition activities, including nuclear power plant acquisitions.

Prior to joining NextEra Energy, Mr. Silagy served as vice president, mergers, acquisitions & divestitures at Entergy Wholesale Operations, based in Houston, and as vice president and managing director, Southeast Asia, for The Wing Group, a subsidiary of Western Resources. He also worked for U.S. Senator J. Bennett Johnston of Louisiana, in several capacities, including chief of staff.

Mr. Silagy was elected the 2013-2014 Chair of the Florida Chamber of Commerce Board of Directors. He also serves as a board member of Enterprise Florida, Inc., the Florida Council of 100, and the Benjamin School. He holds a Bachelor of Arts degree in economics from the University of Texas at Austin and a Juris Doctor from the Georgetown University Law Center.

#### **Florida Power & Light Company**

Florida Power & Light Company is the third-largest electric utility in the United States, serving approximately 4.7 million customer accounts across nearly half of the state of Florida. As of year-end 2013, FPL's typical 1,000-kWh residential customer bill is approximately 25 percent lower than the national average and the lowest in Florida among reporting utilities. FPL's service reliability is better than 99.98 percent, and its highly fuel-efficient power plant fleet is one of the cleanest among utilities nationwide. The company was recognized in 2014 as the most trusted U.S. electric utility by Cogent Reports, and has earned the national ServiceOne Award for outstanding customer service for an unprecedented 10 consecutive years. A leading Florida employer with approximately 8,900 employees, FPL is a subsidiary of Juno Beach, Fla.-based NextEra Energy, Inc. (NYSE: NEE).
